## About SAPTA

### How it all started

The St. Andrew's Parent-Teacher Association (SAPTA) was founded 3 December 1970 with well-meaning parents coming together to support the school in its activities.

Parents and teachers have partnered together to look after the welfare of all Saints through the formation of the St Andrew's Parent-Teacher Association, or SAPTA.

## About SAPTA

### Students and Parents

- The SAPTA Cares Fund is a source of subsidies for children who require assistance.
- SAPTA will endeavour to support the school in ensuring that after-school care arrangements are met.
- We also extend this support too to children with special needs. We would like to help parents understand that they are not alone in their journey.
- Our parents are vessels that need filling too. To promote bonding, SAPTA engages speakers who share effectively on parent-child connectedness.
- Our Saints family has always loved and looked out for those in our Saints family and beyond. In addition to the programs mentioned, SAPTA also provides scholarships for deserving students to acknowledge their determination and focus on academic excellence.
