Dear P1 Parents/Guardians,

Warmest greetings to you and your family! Please observe the following important points on the first day of school, Tuesday 4 January.

Morning Drop-off

For safety and security reasons, parents are to leave the school premises after the morning drop off. All blocks, annexes, canteen, school field and its immediate area are out of bounds to all parents as we have a concurrent school event. No parking is allowed in school.

Parents observing their child during his first recess may return to school 10 mins before the recess time. Only ONE parent/guardian per child is permitted.

Safe Management Measures

1. Please maintain at least 1 metre safe distancing from one another at all times especially when queuing to enter school.
2. All parents are to show their vaccination status to our staff upon entering school at the side gate.
3. Unvaccinated parents (including those medically ineligible for the vaccines) are to show their photo of negative ART result performed within 24 hours prior to entry. It is preferred
4. Upon showing the required vaccination status or negative ART result, please perform TraceTogether SafeEntry using QR Code or token.
5. Please follow the directions indicated in figure 1 to assemble at the respective assembly area before moving to the observation area A & B at the canteen as shown in figure 2. Please maintain a safe distancing of at least 1 metre with other parents at all times at the assembly and observation areas.
6. Please exit the school premises as indicated once your child's recess is over. The school bookshop will be closed during all recess on the first day of school.
